

Schedule of Conditions referred to in Manager's Order ENG 48572005

Waste Management (Collection Permit) Regulations, 2001, as amended.
Waste Management Acts 1996 to 2003.

WASTE COLLECTION PERMIT

Permit Register Reference No. 656/4

Dublin City Council, being a nominated authority under Section 34(1)(a)(a) of the Waste Management Acts 1996 to 2003, has granted a waste collection permit to **Folamh limited T/A Folamh**, here in after called the permit holder, of **30 Dunsogly Park, Rathoath Road, Finglas, Dublin 11** under Managers Order Number ENG /2005 subject to this schedule of Conditions.

The permit holder is authorised by this permit to collect the waste types outlined in Condition 1.4 in the following local authority areas only:

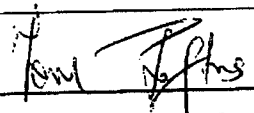

Dublin City Council
Dun-Laoghaire Rathdown County Council

Fingal County Council
South Dublin County Council

The permit holder may use vehicles listed in Condition 3.1 with the following registration numbers for the purpose of waste collection as set out in this permit (Note: additional vehicles may be used only in accordance with the provisions of conditions 3.1 and 1.5):

03 C 17086

The permit holder shall only transfer waste to the facilities outlined in condition 2.2 of this permit.

 <hr/> Head of Waste Management Services	Dated this <u>15th</u> day of <u>May</u> 2005
---	--

INTERPRETATION

All terms in this waste collection permit should be interpreted in accordance with the Waste Management Acts 1996 to 2003 (the Act) unless otherwise defined in this section.

Act	Waste Management Acts 1996 to 2003 (the Act).
Activity	A waste collection activity for the purposes of section 34(1)(a) of the Act.
Agency	The Environmental Protection Agency (EPA) established under Section 19 of the Environmental Agency Act, 1992 (No. 7 of 1992).
Authorised Person	As defined in Section 5(1) of the Act.
Collection	As defined in Section 5(1) of the Act.
Construction and Demolition Waste	All waste that arises from construction, renovation and demolition activities, including all wastes mentioned in Chapter 17 of the European Waste Catalogue.
Disposal	As defined in Section 4(3) of the Act.
Environmental Pollution	As defined in Section 5(1) of the Act.
European Waste Catalogue (EWC)	As defined in Section 5(1) of the Act.
Further Information	Information and particulars received pursuant to a notice under Article 9(1) of the Waste Management (Collection Permit) Regulations, 2001 (S.I. No. 402 of 2001).
Hazardous Waste	As defined in Section 4(2) of the Act.
Maintain	Keep in a fit state, including such regular inspection, servicing and repair as may be necessary to adequately perform its function.
Permit	A waste collection permit as defined in Section 5(1) of the Act and granted in accordance with Section 34(3) of the Act.
Recovery	As defined in Section 4(4) of the Act.
Skip	A container used for the storage or removal of builder's materials, rubble, waste, rubbish or other materials and which is designed to be propelled by a mechanically propelled vehicle.
Treatment	As defined in Section 5(1) of the Act.
Vehicle	As defined in Section 5(1) of the Act.
Waste	As defined in Section 4(1) of the Act.
Waste Licence	A waste licence for the purpose of Section 39(1) of the Act and a revised waste licence under section 46(2) of the Act.
Waste Permit	A waste permit granted in accordance with the Waste Management (Permit) Regulations, 1998 (S.I. No. 165 of 1998).

Conditions

1. Scope of Permit

- 1.1 The register reference number of this waste collection permit is CP D 656/4.
- 1.2 This waste collection permit is granted to **Folamh Limited T/A Folamh** of, **30 Dunsogly Park, Rathoath Road, Finglas, Dublin 11** hereinafter called the permit holder.
- 1.3 The permit holder may collect waste types specified in condition 1.4 in the following local authority areas:

**Dublin City Council
 South Dublin County Council
 Fingal County Council
 Dun Laoghaire/Rathdown County Council**

- 1.4 The permit holder may collect the following non- hazardous waste types only:

	EWC Codes	Corresponding Waste Description
1.	08 03 18	Waste Printing Toner other than those mentioned in 08 03 17
2.	06 02 14	Discarded Equipment other than those mentioned in 16 02 09 to 16 02 13

- 1.5 The conditions of this permit are based upon the information provided by the permit holder in writing to Dublin City Council as part of the waste collection permit application. The permit holder shall notify Dublin City Council in writing of any proposed changes in the information furnished and shall obtain written agreement from Dublin City Council prior to these changes occurring.
- 1.6 Dublin City Council may at any time review, and subsequently amend the conditions of, or revoke this permit. Dublin City Council shall review this permit at least once in each period of two years after the date on which the permit was granted or reviewed, as the case may be.
- 1.7 This waste collection permit and any condition imposed therein shall not relieve the permit holder of his/her statutory obligations under any other enactment whatsoever.
- 1.8 This permit is non-transferable to any other person, business, company or concern.

2. Management of the Waste Collection Activity

- 2.1 The permit holder shall ensure that where waste collected under this permit is transferred to a facility for the purpose of a recovery or disposal activity in respect of which section 39(1) of the Waste Management Act, 1996 applies:
- (i) there is in force a waste licence or a waste permit in relation to the carrying on of the activity concerned at that facility, or
 - (ii) an application for such licence or permit has been made to and is under consideration by, the Agency or relevant local authority and the activity may also be carried on pending a decision in relation to the said application.
- 2.2 The permit holder shall transport waste to the following facilities, which have been notified in writing by the permit holder to Dublin City Council *and no other facilities whatsoever*. The permit holder shall ensure that at the time of transfer of waste to any of the facilities listed below that Condition 2.1 of this permit is complied with:
- (i) **Reclaim (I.T.)**
Colthrop Lane, Thatcham, Berkshire, RG19 4NP
UK Environment Agency Waste Licence Registration Number: TWE 874474/CB
- 2.3 The permit holder shall carry or shall cause to be carried a copy of this permit at all times on each vehicle which is used for the purposes of the activity to which this permit relates.
- 2.4 Where written agreement is obtained from Dublin City Council in accordance with Condition 1.5 this shall be attached to the back of the waste collection permit. The permit holder shall carry or cause to be carried a copy of such written agreement at all times on each vehicle which is used for the purposes of the activity to which the permit relates.
- 2.5 The permit holder shall not move hazardous waste within the state unless such movement is fully in compliance with the requirements of the Waste Management (Movement of Hazardous Waste) Regulations, 1998.
- 2.6 The permit holder shall not export waste from the State unless such export is fully in compliance with the requirements of Council Regulation (EEC) No. 259/93 of 1 February, 1993 on the supervision and control of shipments of waste within, into and out of the European Community.
- 2.7 The permit holder shall not export waste from the State unless such export is fully in compliance with the requirements of the Waste Management (Transfrontier Shipment of Waste) Regulations, 1998 (S.I. No. 149 of 1998).
- 2.8 The permit holder shall be familiar with the requirements placed on holders of household or commercial waste arising from any bye-laws made under section 35 of the Waste Management Act, 1996 by the local authorities in whose area the collection activity is being carried out, and shall keep a copy of all such bye-laws at the address of the principal place of business.

- 2.9 Where bye-laws referred to in condition 2.8 have been made by one or more of the local authorities to which this permit relates, the permit holder shall not collect waste from holders unless it has been presented in accordance with the requirements of the bye-laws in force in a particular local authority area. This includes the following:
- Dublin City Council Bye-laws for the Collection, Storage and Presentation of Commercial Waste and Certain Related Waste Management Matters.
 - Dublin City Council Bye-laws for Collection, Storage and Presentation of Household Waste and Certain Related Waste Management Matters.
- 2.10 The permit holder shall identify all hazards associated with the wastes being collected, and shall be familiar with best practices regarding its safe movement and handling and shall adopt all necessary, reasonable and practicable safety measures accordingly.
- 2.11 The permit holder shall ensure that all operatives employed in the waste collection activity are familiar with the conditions of the permit.
- 2.12 The permit holder shall, within six months of the date of grant of this permit, ensure a documented '**Emergency Response Procedure**' is in place, which shall address any emergency situation which may arise. This procedure shall include for an emergency response unit, replacement vehicles and clean-up equipment in order to minimise the effects of the emergency on the environment. A copy of this procedure shall be made available for inspection by an authorised person at the address of the principal place of business during normal office hours.
- 2.13 Any spillage of waste which occurs in the course of the collection operation, shall be cleaned up immediately and at the latest within one hour of the spillage occurring.
- 2.14 All consignments of waste being transported by skips lorries trucks and tippers to be covered during transit.
- 2.15 All vehicles used for transporting waste to be washed down on a weekly basis or more frequently if the vehicle is subject to gross soiling.
- 2.16 All dry/dusty wastes to be dampened down prior to transit.
- 2.17 All organic wastes including food to be transported in airtight containers.
- 2.18 All other practicable precautions shall be taken to prevent nuisance.
- 2.19 The rated noise from the operation of waste transit processes (defined as LAeq 1 hour) shall not exceed the background noise level (as defined in B.S. 4142. Method for rating industrial noise affecting mixed residential and industrial areas.) by 10 dB or more.
- 2.20 Noise levels should not be so loud, so continuous, so repeated, of such duration or pitch or occurring at such times as to give reasonable cause for annoyance to a person in any premises in the neighbourhood or to a person lawfully using any public place.

Date 18/5/05

3. Vehicles, Skips and Receptacles

- 3.1 The permit holder shall use vehicles with the following registration numbers for the purpose of waste collection as set out in this permit.:

03 C 17086

Written agreement shall be obtained from Dublin City Council in accordance with Condition 1.5 prior to the use of any additional vehicles for the purpose of the activity authorised by this permit.

- 3.2 All vehicles used by the permit holder for the collection and transportation of waste shall be fit for the purpose and maintained in accordance with the manufacturers recommendations.
- 3.3 All vehicles listed in condition 3.1 of this permit shall have the name and contact telephone number(s) of the permit holder clearly displayed on the outside of the vehicle.

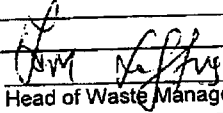

4. Notification and Record Keeping

- 4.1 The permit holder shall notify Dublin City Council in relation to any conviction for an offence prescribed under article 19 of the Waste Management (Collection Permit) Regulations, 2001 or any requirement of an order under sections 57 or 58 of the Waste Management Act, 1996, within fourteen days of such a conviction or the imposition of such a requirement.
- 4.2 The permit holder shall notify the relevant local authority (i.e. the authority in whose area the incident occurs) immediately after the occurrence of any incident connected with the waste collection activity which caused or has the potential to cause environmental pollution or a threat to human health. The permit holder shall include as part of the notification the date and time of the incident, details of the occurrence, and steps taken to avoid recurrence. A written record of the incident will be sent to Dublin City Council within 1 week of the incident.
- 4.3 In cases where the permit holder directly charges fees to householders for the provision of waste collection facilities, the permit holder must notify Dublin City Council in advance of any proposal to increase the level of fees charged.
- 4.4 The permit holder is required to use a docket system to record **non- hazardous industrial and commercial waste collection**. One individually numbered docket may be used for a number of consignments of waste. Each docket shall at a minimum contain the following:
- a) the name and address of principal place of business of the permit holder
 - b) the waste collection permit number of the permit holder
 - c) date of waste collection
 - d) name of the waste producer and address of origin of the waste
 - e) the local authority area of origin of the waste
 - f) waste description (including relevant EWC code(s))
 - g) quantity of waste collected in units of tonnes or litres
 - h) the name, address and licence or permit number of the waste facility to which the consignment will be delivered
 - i) Signature of the vehicle driver
 - j) Signature of a representative of the waste facility of destination

- 4.5 The permit holder is required to have a docket system for recording **non-hazardous domestic waste collection**. One individually numbered docket shall be used per vehicle per day. The docket shall be retained on the vehicle while waste is being transported on the vehicle. Each docket shall at a minimum contain the following:
- the name and waste collection permit number of the permit holder
 - date of waste collection
 - the area in which the waste originated (street name/ townland etc.)
 - the local authority of origin of the waste
 - waste description (including relevant EWC code(s))
 - quantity of waste delivered to the waste facility (in units of tonnes or litres as applicable)
 - the name, address and licence or permit number of the waste facility or facilities to which the consignment will be delivered
 - Signature of a representative of the waste facility or facilities of destination.
- 4.6 Dublin City Council may at any time serve a notice on the permit holder specifying the format and layout of dockets which the permit holder shall use in accordance with condition 4.4 and 4.5 of this permit. The permit holder shall comply with the provisions of any such notice.
- 4.7 Dockets referred to in Conditions 4.4 and 4.5 shall be available for inspection by authorised persons on the vehicle on which the waste they refer to is carried until control of the waste is transferred to a facility specified in Condition 2.2 of this permit. After that time, the dockets shall be retained at the principal place of business of the permit holder for a period of three years.
- 4.8 The permit holder shall, not later than 28th February in each year furnish to Dublin City Council an Annual Environmental Report (AER) in respect of waste collection activities carried out by the permit holder in the preceding calendar year. The AER shall be a summary of the records maintained under condition 4.4 and condition 4.5 of the permit. The AER shall contain the following information, in summary form, in respect of waste collected by the permit holder in the preceding calendar year:
- Local Authority area of Origin of Waste
 - Point of collection
 - EWC Codes, indicating whether or not the waste is hazardous
 - Waste Description
 - Quantity of each waste type collected (in tonnes)
 - Destination of waste (facility name and address)
 - Licence or permit register number of facilities to which waste is delivered (if Ireland)
 - Destination facility type
 - Country of destination (if abroad)
- The information specified above shall be filled in on the Annual Environmental Report form which is available on the Dublin City Council website at the following internet address:
http://www.dublincity.ie/living_in_the_city/your_home/waste_services/waste_collection
 The completed form shall be submitted by the 28th February each year in respect of the preceding calendar year to Dublin City Council by e-mail to CPDStats@dublincity.ie, Annual Environmental Report forms can only be submitted in other formats following written agreement with Dublin City Council.

Waste Collection Permit Reg. No. CP D 656/4

7/8

 Head of Waste Management Services	18/5/05 Date
---	-----------------

- 4.9 The permit holder shall not compile information that is false or misleading. Records compiled in accordance with Condition 4.8 shall be kept at the address of the principal place of business for at least three years.
- 4.10 The records maintained by the permit holder in accordance with conditions 4.4 and 4.5 and condition 4.7 shall be made available for inspection by an authorised person at the address of the principal place of business during normal office hours.
- 4.11 All communications with Dublin City Council shall be addressed in writing to the following address: The Head of Waste Management Services, Engineering Department, Dublin City Council, 68-71 Marrowbone Lane, Dublin 8.

5. Charges and Financial Provisions

- 5.1 Costs incurred by Dublin City Council, and any of the local authorities listed in condition 1.3, in the ongoing monitoring of compliance with this collection permit including the costs of inspections, investigations and analyses of waste samples will be recouped periodically. Notice shall be given in writing and an invoice for the amount being charged shall be issued to the permit holder.
- 5.2 The permit holder shall effect and maintain a policy of insurance insuring him or her as respects any liability on his or her part to pay any damages or costs on account of injury to person or property arising from the activities concerned. All insurance policies shall be extended to indemnify all local authority areas in which the permit holder collects as listed in condition 1.3 and Dublin City Council.
